

Remarks

After the above amendments, the present application contains claims 1-36. Claims 1, 22, and 29 have been amended.

Claim Rejections Under 35 U.S.C. §112

Claims 1-36 were rejected under 35 U.S.C. §112, first paragraph, as failing to comply with the written description. Independent claims 1, 22, and 29 have been amended to more clearly point out and distinctly claim that it is a portion of the exterior view that is partially blocked by the vehicle in the real image viewable by the operator as illustrated in Figure 5A and discussed on page 7 of the specification, lines 3-17, and not the images generated by the output signal. The claims have been further amended to make it clearer that the images generated by the output signal are displayable superimposed and in conformity with the real images on the see-through visor and the images generated by the output signal include the portion of the exterior view that is partially blocked by the vehicle in the real images as illustrated in Figure 5B compared to Figure 5A and as discussed on page 7 of the specification, lines 3-17.

Conclusion

Applicant's attorney wishes to thank the Examiner for the interview on November 3, 2006. Applicant respectfully requests entry of this amendment under Rule 116 in that this amendment renders all of the claims in the present application in condition for allowance. Reconsideration and withdrawal of the rejections and allowance of the claims at the earliest possible date are respectfully requested.

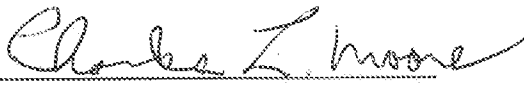

In the event that the examiner wishes to discuss any aspect of this response, please contact the undersigned at the telephone number indicated below.

If necessary, please charge any additional fees or credit overpayment to Deposit Account
